A CUSTOM BOX THAT WILL MAKE YOUR EMPLOYEES FEEL VALUED AND SAFE

LOGON is here to help you and your employees get back to work safely. While we are all eager to go back to work, we know we must do so with proper precautions to keep ourselves and our communities safe...but why not bring your own personal style to it?

LOGON is now creating fully customized “Back to Work” boxes for companies and organizations that want to go the extra mile for their returning workers. All of the components we have to offer can be fully customized with your logos, branding colors, and specialized messaging.

Read on to view samples of what we can create for you and your business.
